The book is divided into four parts, each covering a different period in the history of British fortifications. Part One covers the period from 1756 to 1815, and examines the development of British fortifications in response to the threat from France and Spain. Part Two covers the period from 1815 to 1914, and examines the development of British fortifications in response to the threat from Russia and Germany. Part Three covers the period from 1914 to 1945, and examines the development of British fortifications in response to the threat from Germany and Japan. Part Four covers the

period from 1945 to 1956, and examines the development of British fortifications in response to the threat from the Soviet Union.

The book is lavishly illustrated with over 200 photographs, maps, and plans. It also includes a comprehensive bibliography and index.

Britain Island Fortresses: Defence of the Empire 1756-1956 is an essential reference work for anyone interested in the history of British fortifications.
