The Challenger 1 was a British main battle tank that was designed and built in the 1980s. It was the first British tank to be equipped with Chobham armour, which was a type of composite armour that was highly effective against HEAT rounds. The Challenger 1 was also equipped with a powerful 120mm main gun.

The Challenger 1 was deployed to the Gulf War in 1991. It played a major role in the British Army's victory over the Iraqi Army. The Challenger 1 was particularly effective in the Battle of Al Busayyah, where it destroyed a number of Iraqi tanks.

The British Main Battle Tank Of The Gulf War is a comprehensive guide to the Challenger 1 tank and its role in the Gulf War. It is packed with stunning photographs and detailed information.
