This book is a comprehensive guide to the colors and markings of the F-14 Tomcat. It features over 300 color profiles and 100 black-and-white photos of Tomcats in service with the U.S. Navy and Air Force, as well as with other air forces around the world.

The book is divided into three main sections:

- **U.S. Navy Tomcats:** This section covers the colors and markings of Tomcats in service with the U.S. Navy, from the early days of the Tomcat's development to the present day.
- **U.S. Air Force Tomcats:** This section covers the colors and markings of Tomcats in service with the U.S. Air Force, from the early days of the Tomcat's development to the present day.
- **International Tomcats:** This section covers the colors and markings of Tomcats in service with other air forces around the world, including Australia, Iran, and Japan.

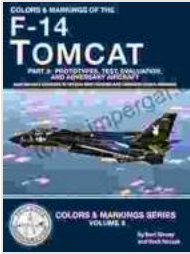

Each section of the book is further divided into chapters, each of which covers a specific period in the Tomcat's history. The chapters are arranged chronologically, so that readers can see how the Tomcat's colors and markings have evolved over time.

The book is also heavily illustrated with color profiles and black-and-white photos. The color profiles are all drawn to scale, and they provide a detailed look at the colors and markings of Tomcats in service around the world. The black-and-white photos are a mix of historical and contemporary images, and they provide a glimpse into the operational history of the Tomcat.

This book is a must-have for any fan of the F-14 Tomcat. It is the most comprehensive guide to the colors and markings of this iconic fighter jet ever published.
