What's Inside Insurance Law Doctrines And Principles

The book is divided into five parts:

- Part I provides an overview of the insurance industry and the legal framework of insurance contracts.

- Part II examines the doctrines of insurable interest, insurable risk, and proximate cause.
- Part III discusses the principles of coverage, including the interpretation of insurance policies, the duty to defend, and the duty to indemnify.
- Part IV covers the litigation of insurance disputes, including the discovery process, the trial process, and the appeals process.
- Part V examines the regulation of the insurance industry, including the role of state insurance regulators and the federal government.
