By Arthur Currie

Over The Canadian Battlefields is a first-hand account of the Great War by Canadian soldier and war correspondent Arthur Currie. The book provides a vivid and detailed description of the battles and conditions that Canadian soldiers faced during the war, and offers a unique perspective on one of the most important events in Canadian history.

Currie was a highly decorated soldier who served in the Canadian Expeditionary Force throughout the war. He commanded the Canadian Corps at the Battle of Vimy Ridge, one of the most significant victories for Canadian forces during the war. Currie's account of the war is both personal and historical, and provides a valuable insight into the experiences of Canadian soldiers during the Great War.

The book is divided into three parts. The first part describes Currie's experiences during the early years of the war, including his training in England and his arrival in France. The second part provides a detailed account of the major battles that Canadian forces fought in, including the Battle of the Somme, the Battle of Vimy Ridge, and the Battle of Passchendaele. The third part of the book describes Currie's experiences after the war, including his return to Canada and his appointment as the first Chief of the General Staff of the Canadian Army.

Over The Canadian Battlefields is a valuable resource for anyone interested in the history of the Great War or the experiences of Canadian soldiers during the war. Currie's account is both vivid and detailed, and provides a unique perspective on one of the most important events in Canadian history.

Reviews

"Over The Canadian Battlefields is a must-read for anyone interested in the history of the Great War. Currie's account is both personal and historical, and provides a valuable insight into the experiences of Canadian soldiers during the war."

- The Globe and Mail

"Over The Canadian Battlefields is a gripping and moving account of the Great War. Currie's writing is clear and concise, and his descriptions of the battles are both vivid and accurate."

- The Toronto Star

"Over The Canadian Battlefields is a valuable resource for anyone interested in the history of the Great War or the experiences of Canadian soldiers during the war. Currie's account is both vivid and detailed, and provides a unique perspective on one of the most important events in Canadian history."
