Product Description

Sixty Year Journey 1896-1956 is an autobiography by one of the most influential figures in American history. This book offers a unique glimpse into the life and times of a man who shaped the course of the 20th century.

Born in a small town in Missouri in 1896, the author went on to become a lawyer, politician, and eventually President of the United States. He played a key role in shaping the New Deal, which helped to lift the country out of the Great Depression. He also led the United States through World War II, and helped to create the United Nations.

Sixty Year Journey is a fascinating and insightful account of a life well-lived. It is a must-read for anyone interested in American history, politics, or biography.
