One of the stories in the book is about a young girl named Maria. Maria was abandoned by her parents when she was just a baby. She was brought to Shiloh, where she was given a new lease on life. At Shiloh, Maria found a loving family and a community that supported her. She went

on to graduate from high school and college, and she is now a successful businesswoman.

Another story in the book is about a young boy named David. David was abused by his stepfather. He was brought to Shiloh, where he found a safe and loving environment. At Shiloh, David learned to trust again. He went on to become a successful athlete and a motivational speaker. He now travels the world, sharing his story and inspiring others.
