A Must-Read for Animal Lovers and Activists

Tears of Battle is the heart-wrenching memoir of Susan Hargrove, a former police officer and animal rights activist who has dedicated her life to fighting animal abuse. In this gripping and emotional account, Hargrove shares her experiences rescuing animals from unspeakable cruelty, her struggles with PTSD, and her unwavering commitment to protecting the voiceless.

Hargrove's journey begins as a police officer in Florida, where she witnesses firsthand the horrors of animal abuse. She responds to calls involving dogs, cats, horses, and other animals who have been neglected, tortured, and even killed. The cruelty she encounters leaves an indelible mark on her soul, and she vows to do everything in her power to stop it.

Hargrove's work as a police officer eventually leads her to the animal rights movement. She joins forces with local animal shelters and rescue organizations, and she becomes a passionate advocate for stronger animal protection laws. She testifies before legislatures, speaks at rallies, and works tirelessly to educate the public about the plight of animals.

However, Hargrove's commitment to animal rights comes at a price. The constant exposure to animal suffering takes its toll on her mental health. She develops PTSD, and she struggles with nightmares, flashbacks, and anxiety. Despite her own struggles, Hargrove refuses to give up. She continues to fight for the animals, and she becomes a source of inspiration for others who are working to make a difference.

Tears of Battle is a powerful and moving memoir that shines a light on the hidden world of animal abuse. It is a must-read for anyone who loves animals, cares about their welfare, or is interested in the challenges and rewards of animal rights activism.

Praise for *Tears of Battle*

“Tears of Battle is a beautifully written and deeply moving account of one woman's lifelong journey to protect animals. Susan Hargrove's memoir is a must-read for anyone who has ever loved an animal and wants to make a difference in the world.” —Jane Goodall”

“Susan Hargrove is a true hero for animals. Her memoir, *Tears of Battle*, is a powerful and inspiring account of her life's work fighting animal abuse. This book will change your heart and make you want to stand up for the voiceless.” — Wayne Pacelle, President and CEO of the Humane Society of the United States”

“Tears of Battle is a heartbreaking yet ultimately hopeful story of one woman's fight for animal rights. Susan Hargrove's memoir is a powerful reminder that we all have a responsibility to protect the most vulnerable among us.” — Temple Grandin, author of *Animals in Translation*”
