The Chicago Green Bay Rivalry is one of the most iconic and bitter in all of sports. This book tells the story of the rivalry through stunning images, from the early days of the NFL to the present day.

The rivalry began in 1921, when the Chicago Cardinals and the Green Bay Packers met for the first time. The two teams quickly developed a mutual dislike for each other, and the rivalry soon became one of the most heated in the NFL.

Over the years, the Chicago Green Bay Rivalry has been marked by some of the most memorable moments in NFL history. In 1941, the Packers won the NFL Championship Game in a controversial finish that is still debated today. In 1967, the Bears won the NFL Championship Game in a game that is considered to be one of the greatest games of all time. The rivalry between the Chicago Bears and the Green Bay Packers is one of the most enduring and passionate in all of sports. This book tells the story of the rivalry through stunning images, from the early days of the NFL to the present day.

Chapter 1: The Early Years

The Chicago Green Bay Rivalry began in 1921, when the Chicago Cardinals and the Green Bay Packers met for the first time. The two teams quickly developed a mutual dislike for each other, and the rivalry soon became one of the most heated in the NFL.

In the early years of the rivalry, the Packers were the dominant team. They won the NFL Championship Game in 1929, 1930, and 1931. The Bears, on the other hand, struggled to find success. They did not win their first NFL Championship Game until 1940.

Despite their early struggles, the Bears eventually became one of the most successful teams in the NFL. They won the NFL Championship Game in 1940, 1941, and 1943. The Packers, on the other hand, went into a decline. They did not win another NFL Championship Game until 1966.

Chapter 2: The Golden Age

The 1960s were a golden age for the Chicago Green Bay Rivalry. The two teams were both at the height of their powers, and they met in some of the most memorable games in NFL history.

In 1961, the Packers won the NFL Championship Game in a controversial finish that is still debated today. The Bears, on the other hand, won the NFL Championship Game in 1963. The two teams met again in the NFL

Championship Game in 1967, and the Bears won in a game that is considered to be one of the greatest games of all time.

The 1960s were also a time of great change for the NFL. The league expanded to 16 teams, and the AFL was formed. The Packers and the Bears were both original members of the NFL, and they quickly became two of the most successful teams in the new league.

Chapter 3: The Modern Era

The modern era of the Chicago Green Bay Rivalry began in the 1970s. The two teams were still competitive, but they were no longer the dominant forces that they had been in the past.

The 1970s were a decade of transition for the NFL. The league expanded to 28 teams, and the AFL merged with the NFL. The Packers and the Bears were both affected by these changes, but they remained two of the most popular teams in the league.

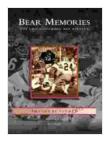

The 1980s were a decade of success for the Bears. They won the Super Bowl in 1985 and 1986. The Packers, on the other hand, struggled to find success. They did not win another Super Bowl until 1996.

The 1990s were a decade of change for the NFL. The league expanded to 30 teams, and the salary cap was introduced. The Packers and the Bears were both affected by these changes, but they remained two of the most popular teams in the league.

Chapter 4: The Future of the Rivalry

The Chicago Green Bay Rivalry is one of the most enduring and passionate in all of sports. It is a rivalry that has been passed down from generation to generation.

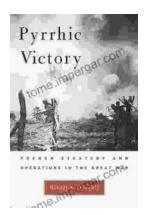

The future of the rivalry is bright. The two teams are still competitive, and they have a large and passionate fan base. The rivalry is sure to continue to be one of the most popular in the NFL for many years to come.
