About the Author

Theo Aronson is an award-winning historian specializing in British royalty and the Victorian era. His groundbreaking research has shed light on the hidden lives and scandals that shaped the course of history. Aronson's meticulous attention to detail and ability to craft compelling narratives have earned him international acclaim.

Historical Significance

'Prince Eddy and the Homosexual Underworld' is not just a historical account but a profound exploration of the societal attitudes towards homosexuality in the Victorian era. Aronson delves into the ways in which prejudice, fear, and ignorance shaped the lives of those who dared to love outside the confines of social norms.

Critical Acclaim

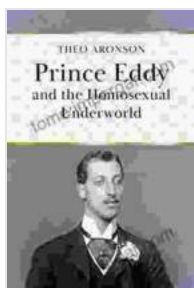

"Aronson's meticulously researched and captivatingly written book unveils a hidden chapter in British history that has long been obscured by myth and taboo." - The Guardian

"A groundbreaking work that challenges our understanding of the Victorian era and sheds new light on the complexities of human desire." - The New York Times
